Mr. Baker,

You do not have to fill out the form completely, just sign the bottom of the complaint that states: "I understand and agree that the information given on this form is public information that will be published on the commission's website (dms.psc.gov), and I understand such information may be subject to public scrutiny or further release."

When we receive that signed consent back, your complaint in docket No. 2022-155-E will become public view. Only then, will you able to access your document through the DMS System.

Please be reminded that all communication should be copied to all parties in this docket.

Thank you.

Clerk's Office

Dear Clerk,

I cannot fill out that form until I see the complaint itself. I don't know what the text of the complaint says. I need the PSC to send me the complaint, then I can fill out the consent form.

Thank you.

Dear PSC,

I'm currently unable to know what you have submitted to Duke Energy as "the complaint". I'm only asking you to send me a copy of what you sent to them as the complaint.

Thank you.

Mr. Baker.

Per previous e-mail on 4/25/22, we advised "that the substance of your complaint will not be published on our Docket Management System as we have not received your consent to publish the substance of your complaint as a public document." Please return the form reflecting your signed consent to publish if this is what you desire.

Thank you.
